Emaho Mantrathon
For the sake of all

Emaho is heralding in 2013 with a day of mantra recitation. Our Mantrathon is being held with the wishes for a peaceful year, a year of mutually beneficial resolution to world problems, a year of health and happiness.

The 2013 Mantrathon is a worldwide community event with practitioners from Tashi Gaden Chopeling Monastery in Tibet, Drepung Loseling in India, Rinpoche's students in New Zealand and Asia as well as students here in the West.

The day focuses on sending a stream of Avalokiteshvara's mantra, Om Mani Padme Hum, to surround us and the world in loving mantra. Chenrezig, is the embodiment of the compassion of all the Buddhas.
